- Forward to Kansas Gas Service our monthly nomination and any nomination revisions
- Receive information concerning our accounts
- Receive duplicate monthly billing statements upon request
- Coordinate the aggregation of my natural gas usage with that of other Kansas Gas Service customers also served by the same marketer for purposes of balancing

These authorizations will continue until a subsequent Transportation Affidavit or written cancellation is provided to Kansas Gas Service.

In accordance with the Winter Event Securitized Cost Recovery Rider, a settlement fee must be paid when switching from General Service to Transportation Service<sup>1</sup>. If the settlement fee is not paid by the due date of the final General Service bill, Kansas Gas Service will disconnect your service following the process outlined in our General Terms and Conditions tariff and service will remain disconnected until the full amount of the final bill (which includes the settlement fee) is paid along with applicable reconnection fees.

A security deposit may be assessed or adjusted in transitioning from General Service to Transportation.
